## How To Order From MRP DRUMS

**FIRST-** Decide on the particular snare drum and/or drum set you want to custom build. Then, add the specific shell sizes, as well as the finish, hardware and any additional options you would want in your project.

**NEXT-** Email me at: mark@mrpd drums.com or call me, Mark Ross, directly at 516.766.1836 for a quote or to discuss your specific

requirements. You can also fax us at 516.766.1837. Since we build to order, we require a check or money order for 50% of the total to get started.

**FINALLY-** When we're about a week or so away we contact you and request the balance along with the shipping charges. Currently we only accept checks / money orders. Lead times are between 2 and 12 weeks.
